

Olivehurst Public Utility District

Agenda Item Staff Report

Meeting Date: December 21, 2017

Item description/summary:

Consider authorizing the Field Use Agreement with Olivehurst Fireman’s Association. The District was approached with a request from the Olivehurst Fireman’s Association to adopt one of the baseball fields in the Olivehurst Community Park. This adoption would involve making improvements to the park to make it usable for baseball and softball use, and taking over the maintenance of that section of the Olivehurst Community Park. The Association requested that the District ensure that the watering and maintenance of the sprinkler systems be continued by the District. The Association provided the District with a tentative schedule of which improvements would be made, and when they would occur. Staff provided the Fireman’s Association with Park Use Agreements from other organizations, and the Fireman’s Association has provided the District with a Field Use Agreement. The Agreement has been reviewed by Staff, and is ready for execution by the District. The Agreement is based on Agreements previously vetted by Legal Counsel, so should not require extensive review by Legal Counsel, if any.

Fiscal Analysis:

Maintenance costs of the Parks Department would minimally decrease, since some tasks would be taken up by the Firemen’s Association.

Employee Feedback

Employees are in favor of the adoption of the field by the Firemen’s Association.

Sample Motion:

Move direct staff to execute a Facility Use Agreement with the Olivehurst Firemen’s Association for the adoption of the south field of the Olivehurst Community Park.
No motion.

Elizabeth Mallen, District Clerk/Executive Assistant
